EAN 4016032382232

CAT 6A S-FTP patch cable, Cu, PUR AWG 26/7, length 1 m, color orange, one side with IP67 housing

The category 6, S/FTP patch cables offer good reliability against oil with its PUR sheath. Therefore they are perfect for industrial applications. Further features of the PUR sheath are the UV resistance and the self-extinguishing fire behavior. The cables are equipped on one side with an IP67 RJ45 plug which makes them especially suitable for the industrial environment. The kink protection sleeve with latch protection prevents the snag of the cables and protects the latch against breaking. An easy identification of category 6 is possible due to transparent red colored plugs.

Best performance and link quality for your network. Ideal for industrial applications.
